MORE MONTH, THAN MONEY

COMBINE YOUR DEBTS INTO ONE
MANAGEABLE MONTHLY PAYMENT

When you are overwhelmed with debt and have more month left than money in the bank, a debt consolidation loan can help. Combine all your high-interest credit card, medical bills and/or loan payments into ONE simplified monthly payment!

HOW IT WORKS — When you apply for a debt consolidation loan, you'll let us know which debts you want to consolidate. If you're approved, Eastex will pay the creditors on your behalf, and then you repay your loan to Eastex.

EASTEX BENEFITS:

- Enjoy rates as low as 8.00% APR*
- Borrow up to \$20,000
- Up to 60-month repayment terms
