TruStage Life Insurance - a perk of Eastex membership

One of the benefits of your credit union membership is access to TruStage® Insurance products. We want to let you know that with TruStage you could save on life insurance.

Life insurance is part of the financial safety net you build for those you love. And any amount of coverage can make a difference. If you die, your family can use the money for daily living expenses and mortgage payments, and it can help protect dreams like college educations and weddings. You can learn more at www.TruStage.com/Life.

We make TruStage Insurance programs available because they're founded in value, honesty and knowledgeable support. The companies behind TruStage were formed by credit unions, for credit unions and their members. As part of your financial planning, we invite you to discover how these products and programs might be right for you.

Getting started with a life insurance quote or more information is easy. Call a TruStage representative toll-free at 1-866-941-1514. You can also explore life insurance options and get quotes instantly [HERE!](#)
